Growth and Vitality

- 21% more women served '17 vs '15
- 60% more Upper Cape women served '17 vs '15
- 65% more calls and walk-ins '17 vs '15
- 50% of women served multiple times
- One-to-one legal consults in Falmouth, Hyannis & Harwich Port
- New & increased collaborations with other non-profits & businesses

Financial Sustainability

- Predictable and growing revenue streams
- Endowment established and growing
- Broadened range of supporters

New Assets, Improved Tools

- Multilingual resources - staff and materials
- New website
- Expanded social media footprint

2018 Goals

- Increase access for under-served populations
- Further geographic expansion
- Build new collaborations
- Grow Community Builders & Champions
HIGHLIGHTS

Growth and Vitality

- Newer programs based on emerging community needs: HOPE Journey; Preparing Your Financial Statement; Student Debt Workshop: How to Get Debt-Free; and G.R.O.W. (Get Results with Others' Wisdom).
- Improved access for women across the Cape with programs offered in Bourne, Eastham, Falmouth, Harwich, Hyannis, Mashpee, Orleans and other Cape locations.
- Several programs offered through collaborations with other Cape non-profits, including the Falmouth Service Center, Museums on the Green, Cape Cod Neighborhood Support Coalition, Cape Cod Children’s Place, Cape Cod Child Development, and Helping Our Women.

Financial Sustainability

- The Community Builders program, for donors contributing $2500 or more per year for a minimum of 3 years, began in 2016 and grew to $82,000 in 2017.
- Achieved the $100,000 goal for WE CAN Champions, our monthly donors.
- Continued to build our Endowment.
- Successfully began communicating the value of planned giving.
- Outreach to business owners about WE CAN services that support their employees led to a significant increase in the number and geographic distribution of business supporters – both financial and in-kind.
- As we offered our programs in locations across the Cape, we also broadened the range of individual supporters.

What if you could change someone's WORLD?

You can, because WE CAN!

We are WE CAN: Women’s Empowerment through Cape Area Networking. With your help, we INFORM, we MENTOR and we EMPOWER. Our work touches the lives of thousands of Cape women, and through them, their families and their communities as well. Our heartfelt thanks to our volunteers, our donors, our community and business partners.

New Assets, Improved Tools

- Hired new bi-lingual staff (meet them on the next page).
- Refreshed website with the goal of providing better access to programs and schedules for participants; allowing donors to quickly and safely access donation portal, and broadly communicating the WE CAN story to partners, supporters and collaborators.
- Successfully used social media platforms to blast programs, events and celebrate key constituents.

WE CAN Goals

- Increase awareness of bi-lingual capabilities and services through specific actions and outreach.
- Deepen collaborations and establish new ones to enable more women beyond the mid- and lower Cape to access WE CAN services.
- Build on initial work to track and communicate outcomes.
- Increase multi-year and monthly donor revenue by 20%.
HIGHLIGHTS

Many sources are available for information that women need to help them address problems or negotiate difficult situations. Sometimes, it’s difficult to find, sort through or verify the source of the information. For those reasons, at WE CAN, we view our Information and Referral Service as much more than providing a phone number or a web address. Our staff builds and maintains direct connections with staff at dozens of other Cape non-profits and public agencies. We also have bi- and tri-lingual staff, making it far easier for women whose first language is not English to get the help that they need, whether it be from us or other organizations with which we collaborate.

MULTILINGUAL SUPPORT

Elen Camera is Assistant Reception Coordinator for WE CAN, providing reception and clerical support for WE CAN. She brings her multilingual skills to her daily activities of providing general information and referrals for WE CAN participants. She also works with volunteers to greet and schedule participants and helps to maintain our database.

Elen lives in Centerville and is mother to an active son, who keeps her busy cheering soccer, football, and hockey games. She has a personal goal to become a certified interpreter. Her hobbies include cooking, boxing, and spending time with family and friends.

From Sonora, Mexico, Marina Mendoza-Burris is a Program Coordinator overseeing the one-to-one Work Support sessions. With a B.A. in Psychology from the University of Sonora, she worked as a Social Worker in Hermosillo, the capital of Sonora. After moving to Boston and living there two years, Marina relocated to Cape Cod, where she taught Spanish language classes and currently operates an on-line retail business.

Marina lives in Brewster with her husband, 3 children, and dog “Lolly”. When not working, she spends time with her her children as they participate in basketball, baseball, gymnastics, and all the other activities that Cape Cod offers to families. See more WE CAN staff by clicking here: WECANSTAFF

WE CAN WEBSITE

WE CAN’s website is not simply our “front door”. It’s an essential vehicle used to communicate our mission and services to a range of constituents: potential and current program participants, donors, business partners and other non-profits with whom we collaborate. And after several years, the site needed refreshing. We turned to the 118Group for help. They provided a team with tech and business savvy who understood exactly what we needed. Our site now has a responsive design for optimal viewing on all devices; user-friendly translation tool; significantly improved calendar functionality and improved video storytelling. See some of the results below and make sure to visit the site: by clicking here: wecancenter.org.
WE CAN empowers women of all ages and circumstances undergoing challenging life transitions by providing unique services and support that bring increased opportunity, self-sufficiency, stability and lasting positive change for themselves, their families and ultimately the entire Cape Cod community.

WE CAN VOICES

Our participants benefit through the ongoing support and generosity of our volunteers, donors and business partners. Take a moment to hear from them on the following pages.
PARTICIPANTS

"My mentor gave me accountability that led to a confidence I wouldn’t have known without having her honesty, understanding, and motivation throughout this journey."

"I feel more prepared and confident about what to do about upcoming legal issues."

"I have changed how I express myself, and have developed and can articulate a level of insight and wisdom. I’ve now significantly expanded my career options. People tell me I even look different!"

"I had moved to the Cape for family reasons and was in a low-paying job when I met with Christina, a very positive person who I felt wanted to see me succeed. She helped me update my resume and write some letters of recommendation for former employers to sign. I recently landed a really good bookkeeping job that will also give me the opportunity to learn something new: payroll and taxes. And I’m in the PathMaker mentoring program. As a result of connecting with WE CAN, many things in my life have improved, including family relationships."
VOLUNTEERS
CLICK HERE FOR LINK

“Whether program participant, staffer or volunteer, we’re in the trenches together – as mothers, partners, widows, grandparents, and worker bees. We are here for each other, plain & simple! I am privileged to be part of the WE CAN team and never have felt more fulfilled.” – Judith Martin

“I volunteer my time facilitating transformative self-development workshops on the Outer Cape. It is my privilege to offer tools and foster conversation that lead to more clarity, confidence and connection. We share our collective knowledge, open up to a different perspective, create a sense of community and empower each other to trust in our own greatness.” – Nicole Gelinas
2017

"You never know when you may come across someone in need of the resources that WE CAN provides. I continue to do more and be mindful when working with people in the community about the challenges they are facing. Supporting organizations like WE CAN is critical to keeping women and their families healthy and happy on Cape Cod." - Sara Whiteley, Whiteley Plumbing and WE CAN Community Builder

"The Champions program was the first program I’d heard of in our area that offered a range of monthly support options to continue the mission and work of WE CAN. Knowing how costs continually rise, this is my small way of contributing to the financial health of WE CAN." – Jen Armandi, WE CAN Champion

"I have delightedly watched WE CAN grow over the years and I want to support its continued success. I am happy to help launch the WE CAN Endowment Fund- thereby guaranteeing funding into the future." - Jacque Scarbrough, WE CAN founder and volunteer.
Business partners from Puritan, Cape Cod; Cape Cod Magazine; Cape Cod Broadcasting Media with WE CAN BOD president Pam Kukla and ED Andi Genser at 2017 Girl’s Night Out event.

BUSINESS PARTNERS

“We’ve been affiliated with WE CAN for 14 years...leading, relevant, safe, confidential organization for women on Cape Cod to receive outstanding services for personal life and business. We found that to be a tremendous asset on the Cape. It’s important to us to be connected to our community and WE CAN does that for us.” Jim and Rick Penn, Puritan Cape Cod click through to more and/or video

“When I first stepped into the role of editor at Cape Cod Magazine more than four years ago, WE CAN was one of the first organizations that I teamed up with—both for the annual event, Girls Night Out, and articles and profiles for my publication. I am proud to be affiliated with this first-class group because of their work on behalf of women and their families across the Cape. On a personal level, I’m most appreciative of our partnership because one of my most reliable writers, Marina Davalos, connected with me through your PathMakers program. Thank you, WE CAN, for making positive changes and improving lives!” – Lisa Leigh Connors, Editor, Cape Cod Magazine and Chatham Magazine
