A Special Offer of Wellness for the WE CAN Community
Longtime WE CAN supporter and volunteer Jitka Borowick has recently launched a new business called Nové Studio. As keynote speaker at our Valentine’s Luncheon in February, Jitka offered our GROW participants access to free yoga classes for a month. Jitka has expanded that offer to all WE CAN participants, volunteers and supporters through the virtual Nové Feel New Every Day 21 Day Challenge.

The goal? Do just one thing to feel new, every day. It can be a run, walk, stretch, meditation, ride, swim, yoga--you decide! To support you, Nové Studio will provide donation-based livestream yoga classes plus emails with exclusive access to Nové Videos. Post your journey on Instagram or Facebook and tag them for a chance to win Manduka gear giveaways throughout the challenge. Are you in? To sign-up, visit https://challenge.noveyoga.com/signup/
